INSTRUCTIONS:

To begin: Refer to sizing chart for number of CO sts.

For Size:___ CO ___ sts. Do not join in the round.

Set Up Row (RS): Refer to sizing chart for number of back & sleeve sts. K1, pm, K1 (seam st), pm, K_____ (sleeve sts), pm, K1 (seam st), pm, K_____ (back sts), pm, k1 (seam st), pm, K_____ (sleeve sts), pm, K1 (seam st), pm, K1. Turn and work one purl row. (WS)

Yoke: Working back and forth in stst, inc 8 sts on each RS row using the Yoke Increase until armhole measures from neckline to underarm or to desired length.

Yoke Increase Row (RS): *K to marker, M1L, sm, K1 (seam st), sm, M1R*; repeat from * to * to end of row.

Once armhole measures desired length, on a RS row, knit front panel sts to marker, rm, K1 (seam st), sm, (represents the center side seam), slip sleeve sts onto a st holder, rm, K1, rm, K back sts up to next marker, rm, K1, rm, sl 2nd sleeve sts onto another st holder, sm (center side seam), K1 rm, K to end. The seam sts are now part of your bodice. Turn and purl one row. (WS)

For Child Sizes: Continue working back and forth, increasing 4 sts on each RS row following the Bodice Increase until piece measures pattern or desired length less 2 1/2 inches.

For Adult Sizes: Work in stst for approximately 4 inches or desired length **and at the same time** shape the back. To Shape Back: Divide number of sts for back (between side seam markers) by 3. You may end up with an odd number of sts. Simply add the extra st(s) to the center of back. Example: 14, 15, 14. Work 1/3 of sts for back, pm, SSK. Work the next 1/3 less two sts, K2tog, pm. Decrease after & before markers on next 2-4 RS rows. Once garment measures 4 inches from underarm, increase on RS every 4th row using the Bodice Increase until piece measures pattern length or desired length less 2 1/2 inches.

For a narrow, dec 1 st at beginning and end of RS row or on either side of center seam st. Join in Ozark yarn and work in stst for 2 inches ending with a WS row. Join in MC or accent yarn, repeat Picot Bind Off as for body.

Right Side Button Band: *Right side band is slightly wider than left side band.* Using Ozark yarn and with RS facing, pick p and knit 1 st every other row along the front right panel starting at the hem. Work in stst for 2 inches or to desired width ready for a RS row.

Work in stst for 2 inches or desired width ready for a RS row. Using MC or contrasting color, repeat the crochet Picot Bind off.

Finishing: Sew sleeve seams using mattress seam. Place buttons randomly down left button band and fasten.

Select a size on the smaller side as this garment will stretch some.

These amounts are estimates only.

Allow additional yardage if enlarging pattern in any way.

Due to the nature & variance in color of Ozark Handspun yarns, it is strongly recommended to purchase enough skeins of the same yarn at the same time as each batch is truly unique and no two skeins are alike.

Due to the approximate yards of Ozark Handspun yarns of 34 yards, you may want to purchase an additional skein of yarn, just so you do not run short.
