BO

Weave in loose ends

Finishing: (for each warmer) Using Ozark Opulent cut 3 lengths of Ozark Opulent, 1 yard each

Weave all three strands through the holes made in row 7, tie on side.

Cut Ozark Opulent fringe 5 1/2 inches long.

Using crochet hook, attach 2 strands of fringe to every 3rd stitch of the BO edge.

With Ozark Companion on your tapestry needle, stitch 2nd row of fringe on in the following manner 6 rows above the BO edge: Holding fringe lengthways, stitch on piece of fringe in the middle. Then fold the top 1/2 of fringe back down over the stitch and stitch again. Each piece of fringe will be double stitched in order to ensure security. Fringe ends up being about 2 1/2 inches long doubled in this manner. Repeat around the entire warmer.
