## Ozark Wrap

Designed by Carol Porter for Ozark Handspun, November 2007

## **Ozark Wrap**

Designed by Carol Porter for Ozark Handspun, November 2007

## **MATERIALS:**

- 4 Skeins Ozark Handspun Yarn
- 1 Pair US Size 35 knitting needles
- 1 US Size N crochet hook

Measurements: Put your arms down at your side and measure from the center of your chest around your arms and back to the center of your chest. Subtract 2-3 inches from this measurement to get your length. Width is 21 inches.

## **INSTRUCTIONS:**

Cast on 24 or the number of sts necessary for 21 inches. Knit to the measurement of your chest. This needs to be a little snug so I would recommend pinning it before casting off to check the fit. Bind off loosely.

**Finishing:** Weave short ends together. With an N crochet hook, crochet around the top of the wrap to bring it in slightly. this is very cute worn slightly off one shoulder. So easy and so chic!
