OZARK BULLET PROOF BABY

Designed by Carol Porter for Ozark Handspun, January, 2009

MATERIALS:

4 Skeins Ozark Companion Yarn (shown in Acorn)
4 Skeins Ozark Opulent Yarn (shown in Bulletproof)
1 Pair US Size 13 Knitting needles
1 Pair US Size 19 Knitting needles

MEASUREMENTS

20" wide by 21" long
GAUGE 2.75=1" in Ozark Companion

INSTRUCTIONS:

Back: With a #13 needle, cast on 63 sts with the Ozark Companion doubled. Work in rib as follows:

RS: K3 *P1, K3* to end of row.

WS: K1, *P1, K3*, P1, K1 to end of row. (Pattern is a multiple of 4 plus 3.)

At 12 1/2", decrease 8 sts each side. Continue until sweater measures a total of 21". BO loosely.

Front: With a #13 needle, cast on 32 sts with the Companion doubled. Work as above. At 19 1/2", BO 4 sts, followed by 3 sts twice on every other row at neck edge.. At 21", BO the remaining 14 sts. Repeat for other side, reversing shaping.

Sleeves: On a #19 needle, cast on 20 sts with Opulent. Knit every row for 16" BO loosely. Cut remaining Opulent into 5"-6" pieces and tie on thickly. I do every st.

FINISHING: Weave together shoulder seams. Sew tops of sleeves to shoulder. Weave together side seams and sleeve seams. I like the clean edges of this jacket; so I did not finish the edges or add buttons.
