GAUGE: 3 sts. = 1”

MATERIALS:

4 skeins of Ozark Opulent in Black Sparkle
#17 needle

INSTRUCTIONS:

With a #19 needle cast on 1 st in Opulent. Increase one in the next st. Knit 2. Knitting every row, increase one st each side every third row. Repeat until there are 28 sts. Continue until it measures 60” or desired length.

For tab, cast on 8 sts and knit 4 rows. Bind off loosely.

Finishing: Try wrap on as shown in photo. It should cross over on the right or left side. Place tab lengthwise appropriate to where you want the crossover and sew each short end into place. To wear, pull the pointed end through the tab until wrap fits snugly around your shoulders.
