Ozark So Opulent Scarf

Design by Carol Porter for Ozark Handspun, January, 2009

MATERIALS:

2 Ozark Opulent
1 Ozark Companion
#17 circular needle

INSTRUCTIONS:

Cast on 12 sts in Opulent on a #17 needle. Purl the next row in Companion. Continue to alternate the two yarns and knitting purl rows and purling knit rows. Continue for at least 60". You will have enough Opulent to make it longer if you want.

Knitting Tip: Until you become accustomed to this pattern, you may want to pull down the previous row a bit to see if it is a knit or a purl row because sometimes the Opulent may hide the row to make it look like a purl when it is actually a knit.
